

International Study Institute

Summer Program 2010

July 4 weeks
August 3 weeks

ISI Japanese Language School opens Summer Program 2010!! These are special programs for very beginner to lower beginner level, to get in touch Japanese language and culture in summer vacation. We'd like to offer very low price valued summer plan for your clients.

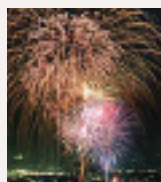

This includes 4hours Japanese classes specially designed for learning daily conversation and Japanese culture, with some practical fun lessons, 3 of one-day excursion in Tokyo, and welcome Japanese lunch on first day, airport meet at Narita airport, and even an International Exchange day with Japanese students to study abroad! Please check the details, and see how attractive program it is ☺

July 4 weeks Summer Program

Course date : July 5 – July 30
Class level : Beginners

July is the one of the best season to see Japan. Students will have chance to see summer festivals fireworks, and it must be unforgettable experience in Japan. July is also summer sale season, so that shopping lovers will enjoy their stay in Japan!
