Course Overview

ISI Career and Language Academy – Harajuku Campus is the best school for those who want to find a job or start a business in Japan, or for those who want to improve their Japanese language and business skills at the same time to advance their career. In April 2022, we will start a long-term course specialized in career support. Students entering in 2021 will be able to improve their Japanese language skills according to their own level in the first year, and continue their specialized study for employment in the new curriculum from April 2022.

Curriculum for 2022 (planned)

<p>General Japanese Proficiency</p> <p>Learning Japanese as a common language regardless of location and situation</p>	<p>Japanese language as a business skill</p> <p>Understanding and ability to use business formulas, idiomatic expressions and manners, understanding of Japanese corporate culture</p>	<p>Expertise in job hunting and entrepreneurship</p> <p>Specialized learning for specific purposes through elective classes, special lectures, etc.</p>
